Ah, I didn't, I took it with contexts and stand out my inaudible. We went, he dropped, he turned me to my house ah, I paged Jennifer P [REDACTED], um, no I'm sorry. Yes, I paged Jennifer P [REDACTED] um, we had went to Gelston Park. Um, she had her dog with her. There I told her what the conversation me and Adnarn had had earlier that day. Wilds: Yes.

MacGillivary: And during this conversation, what did he tell you?

Wilds: Um, he told me that she had broke his heart. That was extremely wrong for anyone to treat him that way. Um, that he couldn't believe how she stood and looked him face to face and told him she didn't love him and could be that heartless. And he told me, he said, almost jokingly, I think I'm gonna kill her, yeah, I think I'm gonna kill her.

MacGillivary: However, the whole purpose of him being with you that day was to ask you for your assistance?

Wilds: Yes.

MacGillivary: Of killing her?

MacGillivary: In disposing of her body?

How ah, he said he ah, wrapped his hands around her and her throat and she ah, started kicking him, and he said he looked up to make sure nobody was looking in the car at him. And ah, he said she, he was worried about her scratching him, getting her, his skin underneath her fingernails. And that ah, she was trying to say something. He said that he thinks that she was trying to say that she was sorry, but that's what she deserved and ah, that she had broken his heart. And that's.

MacGillivray: What was your reaction?

Wilds: I asked him a questions, I said ah, grant it you didn't like her, but ah, you you really think she deserve to die. And he said that anyone who who treats him like that, anyone who could stand in his face and be that heartless deserves to die.

MacGillivray: How long do you think you were at the cliff?

Wilds: 20 minutes to a half and hour.

MacGillivray: Other than that conversation was there anything additional?

Wilds: Um, I just, nah he ah, said something to me ah, to the effect of the State Park, where we were, a little bit up the river, but I told him people walk up and down there. That was the only thing that.

MacGillivray: Okay, um, what happens then?

Wilds: We leave there, um, I believe, can you bare with me for a minute I. Um, okay we left there ah, I take him, I took him back to school and I dropped him off.

MacGillivray: Why did you take him back to school.

Wilds: He told me that I had to take him back to school because he needed to be seen there.

MacGillivray: So he basically wanted to go back to school to be seen by who?

Wilds: Ah, his co-students I guess, I mean a couple of classmates.

MacGillivray: Was he going to a certain event?

Wilds: Ah, his practice, his track practice.

MacGillivray: Track practice.

Wilds: Yes.

MacGillivray: So he wanted an alibi?

Wilds: I think his mother called him, I'm not sure, but I think.

MacGillivary: Um, you dropped him off at school?

Wilds: Yes.

MacGillivary: Were did you drop him off at school?

Wilds: In the front.

MacGillivray: Were do you go?

Wilds: I go, I was on my way home, but then I stopped off at Gelston Park and ah, ah, I smoked another blunt before I went home. And then, I, I think I may have, may have gone, yeah, I went to C██████y and Jeff's. And he called me from the cell phone there and then I left C██████y and Jeff's hang out.

MacGillivray: You leave, after you dropped Adnarn off.

Wilds: Yes, I went back I got him and then we returned to C██████y and Jeff's.

MacGillivray: How long did it take you to get from C██████y and Jeff's back to Adnarn?

Wilds: About inaudible right there, probably like 15 minutes, at the most.

MacGillivray: Pick Adnarn up?

Wilds: Yes.

MacGillivray: He gets in the car?

Wilds: Yes.

MacGillivray: Are you driving or is he driving?

Wilds: He's now driving.

MacGillivray: You go back to Chris'.

Wilds: Yes.

MacGillivray: Takes you another 15 minutes?

Wilds: Yes.

MacGillivray: Are you having any conversation with Adnarn at the time?

Wilds: Um, to the effect yes, don't tell anyone. Um, he said that he couldn't believe he killed somebody with his bare hands. That all the other mother, mother fuckers, referring to like, hoods and thugs and stuff think they hard core, but he just killed a person with his bare hands.

MacGillivray: So at this point he's bragging about it?

Wilds: Um, basically.

MacGillivray: He was proud of it?

Wilds: Yes.

MacGillivray: Did he indicated while he was at practice that he confided in anybody?

Wilds: No.

MacGillivray: Did he talk about any anything that he had to do with practice?

Wilds: He just said he had to run a lot.

MacGillivray: He had to run?

Wilds: Yeah and that he was late.

MacGillivray: He was late?

Wilds: Um-hum.

MacGillivray: Getting there?

Wilds: Yes.

MacGillivray: Anybody give him a hard time?

Wilds: Inaudible I don't know.

MacGillivray: So you go back to C [REDACTED] y and Jeff's house?

Wilds: Yes.

MacGillivray: You go inside?

Wilds: Yes.

MacGillivray: What happens there?

Wilds: We smoke again. Um, he's feeling a little nausea from a cigarette that I'd given him prior to going in the house. So he sits away from the group. Um, we stay there for awhile until ah, we're interrupted by a phone call. He wakes up and he answers his phone, he ah, it's a Hay, Hay's family, there looking for Hay's. He tells them he has no knowledge were she is. Um.

MacGillivray: How long is that phone conversation take?

Wilds: It was short, it was probably like 5 minutes. Um, they said that she suppose to pick up her cousin or something and ah, that ah, he ah, had he seen her, does he know anything like that. Then ah, few minutes later, he got a call from the Police Department and that's.

MacGillivray: How how do you know Adnarn got a call from the Police Department?

Wilds: Um, because that's what he does, he holds the phone away and says police. And at that time I started panicking.

MacGillivray: Were you inside the apartment, or outside the apartment.

Wilds: We're in, we were just leaving. We were stepping from the foyer into the hallway. And ah, he he he, he talks to the cops and um, I hear the beginning of the conversation he lied to him and tells him he doesn't, he doesn't know were she is, he hasn't seen her. Tells him to look for her old boyfriend um, that, that ah, that's just how she is. She's a flighty person like that, um, check with her friends. Um, there was more of the

conversation, but at towards the end of the conversation we're reaching near the door. So I stepped out and lit a cigarette. And I just heard him at the end of the conversation giving his phone number to the cops and telling them ah, that he's muslim and don't call his house cause his parents and stuff like that.

MacGillivray: When you guys are inside the apartment and his cell phone rings and he tells you it's the police. C█████y and Jeff are sitting there.

Wilds: Yes.

MacGillivray: Do they know what's going on?

Wilds: No.

MacGillivray: Do you tell them what's going on?

Wilds: Not at that time?

MacGillivray: You leave?

Wilds: Yes.

MacGillivray: The the cell phone conversation ends with the police officer?

Wilds: Yes.

MacGillivray: What does Adnarn say to you?

Wilds: Um, he tells me we have to get rid of the body, we have to get rid of the body, we have to get rid of the body, they already looking for it.

MacGillivray: And you get back in the car?

Wilds: Yes we get back in his car, he's driving.

MacGillivray: And were do you go?

Wilds: We go back to 70 Parking Ride. Um, he gets out of his car, tells me to follow him. We

get, he gets into her car um, he drives it we drove um, around to a whole bunch of different places. Ah, some off of ah, Roland Road, ah, some off of Dogwood Road. Um, finally he he goes down pass Lincoln Park, he ah, he um, no this is wrong, I'm sorry, I miss something. We leave C [REDACTED] y and Jeff's and ah, I asked him to drop me off. And we go back to my house and when we're standing on my porch that's when he tells me that we have to go back, we have to get rid of the body, we have to get rid of the body. There's 2 shovels that are kept with tools next to my porch. Um, there's picks, axes, all kinds of stuff along with it there. Um, he grabs the shovels and says we have to get rid of the body, have to get rid of the body. And I, I tell him um, I don't have anything to do with it, and he tells me he knows what I do, he knows who I'm associated with. And that he could turn me into the Authorities. So I get back in his car.

MacGillivray: What was that all about?

Wilds: Um.

MacGillivray: Was he threatening you?

Wilds: With knowledge of illegal activity yes.

MacGillivray: And the illegal activity was what?

Wilds: Ah, um, drug trafficking, distribution of drugs.

MacGillivray: You use to sell drugs?

Wilds: Yes.

MacGillivray: And he knew that you sold drugs?

Wilds: Yes.

MacGillivray: So he was telling you, if you tell anybody about this, he was gonna turn you in for drugs?

STATEMENT OF: Jay Wilds

Wilds: Yes.

MacGillivray: Okay, what did he go with the tools?

Wilds: Um, put them in the back of his car, in the back seat. Um, he still driving, now we proceed from my house to 70 Parking Ride.

MacGillivray: Any telephone conversations?

Wilds: Um, not in between my house and 70 Parking Ride, no.

MacGillivray: Okay, continue.

Wilds: Um, we leave the 70 Parking Ride, he's driving Hay car now and I'm following him. Um, we end like I said, we drove around the lot, we end up going down Franklinton Boulevard. He ah, he stops her car, actually he pulls over to the side and tells me to ah, ask me if I could help him and I told him fuck no, I'm not touching none of her stuff. I'm not helping you drag her out of the car, none of that. you know. And um, he says okay. So then he drives her car up around the corner and ah, parks its and we park his car down at the burial site and.

MacGillivray: Hang on here. You, when you leave your house, you put the tools.

Wilds: Yes.

MacGillivray: Into, into his car?

Wilds: Yes.

MacGillivray: You go to Route 70?

Wilds: Yes.

MacGillivray: He gets out of his car?

Wilds: Yes.

STATEMENT OF: Jay Wilds

MacGillivray: Gets into Hays car?

Wilds: Yes.

MacGillivray: And he drives from there to Lincoln Park?

Wilds: Yes.

MacGillivray: And he.

Wilds: Not straight there but.

MacGillivray: And your following him?

Wilds: Yes.

MacGillivray: Not straight there, did you make any stops?

Wilds: No stops, but it wasn't, it wasn't the most direct route, no.

MacGillivray: Okay however, you eventually make it to Lincoln Park?

Wilds: Yes.

MacGillivray: Now do you park around the corner?

Wilds: Not, not now. We're, we're sitting um, side by side, blocking both lanes. And he's talking to me, he asked me am I gonna help him. Like get out of the car and stuff and I, I told him no, hell no, fuck that. And so then he's like okay and he drives her car up around the corner and ah, I follow him. Once we get up around the corner, he gets back in his car. We come back down um, we pull into this little ah, spot, it has like white pillar that are there from the highway. And we go 20 yards back or so and ah, he start digging.

MacGillivray: Why did you pick this location?

Wilds: That's were he wanted. Ah, I couldn't convince him to do anything like, he he, anything I said it just kind a, it was like I don't know.

MacGillivray: Have you ever been in this park with him?

Wilds: No.

MacGillivray: You followed him?

Wilds: Yes.

MacGillivray: How did he know to pull over right there?

Wilds: Cause along the road there's a small ah, I don't know how to explain it, like a viewpoint Parking lot.

MacGillivray: Parking spots.

Wilds: Parking spots on the side of the road, all up and down the road. And that was the only one that was open. All the rest had been buried up.

MacGillivray: So you parked both cars up around the corner?

Wilds: Both both cars are sitting. Both of them are still running, none of them are parked. When we conversate about whether I'm gonna help him or not. Um, then both cars go off around the corner, we park Hay Lee's car. He gets back in his car, we drive back down to were the spot, the spot he'd chosen. We dig, um, maybe a half and hour.

MacGillivray: When you walked from were you parked the car.

Wilds: Yes.

MacGillivray: Into the woods?

Wilds: Yes.

MacGillivray: Who led the way?

Wilds: Adnarn.

MacGillivray: Did it seen like he had been there before?

Wilds: Possibility.

MacGillivray: I mean it's a wooded area?

Wilds: Yes.

MacGillivray: Did you take a specific route back there?

Wilds: We followed the path, it wasn't.

MacGillivray: You followed a path?

Wilds: Yeah it wasn't, it wasn't very far.

MacGillivray: Is there a visible path in the.

Wilds: No.

MacGillivray: However, you made your way back there?

Wilds: Yes.

MacGillivray: Was it a path of less resistance?

Wilds: I would guess that would, that would be fair to say yes.

MacGillivray: Okay, and why did you choose the location that was chosen?

Wilds: That's were he said he wanted to bury her, he said that was, you know what **inaudible**.

MacGillivray: Did he give you the impression that he had been there before?

Wilds: Yes.

MacGillivray: Why?

Wilds: Why, because he knew that there was ah, I had heard a noise and I looked up and **inaudible** a small creek that ran behind there.

MacGillivray: Do you have the digging tools at this point?

Wilds: No.

MacGillivray: What happens?

Wilds: Um, dig a small hole, put the shovels back in the back seat of his car. Um, I get in the driver seat of his car, he gets in the passenger seat. I drive him back up around the corner to Hays car. Um, he asked me to help him again up there. Like I said before I told him no I'm not touching none of her shit, none of her, none of that stuff. He ah, he gets back in Hays car, he drives back down around the corner. A long time ago's by maybe like, almost a half an hour. And ah, after that he reappears back around the corner. Um, he gets back in his car, um, instructs me to drive down to the small, excuse me, the small parking lot area. Um, to get out of his car um, bring the shovels. He ask me to help him bury her, I, we argue. Um, he throws dirt ontop of her and she was already, I'm sorry. Um, we we we pull back into the parking lot and on the way back there, there's a coat laying there on the ground. And ah, I said who's coat is that and he picks it up, and like flings it way back in the woods. And ah, then I walk up and Hays laying in the hole with her head facing away from, on her, on her stomach face down with her arm behind her back. And ah, he ask me if I was gonna help. And I told him fuck no and he starts to shoveling dirt onto of her. And after ah, we leave there um, ah.

MacGillivray: Let me stop a minute.

Wilds: Yes.

MacGillivray: You helped him dig the hole?

Wilds: Yes.

MacGillivray: How long did it take you both.

Wilds: Ah-huh.

MacGillivray: To dig the hole?

Wilds: 20-25 minutes.

MacGillivray: And both cars are parked back in the parking spot?

Wilds: No, just his car. Her car had been moved to the ah, spot around the corner prior to us digging the hole.

MacGillivray: How deep did you make the hole?

Wilds: Oh, maybe 6 inches at the most. It wasn't very deep at all.

MacGillivray: Who did most of the digging?

Wilds: Ah, it was.

MacGillivray: Both of you?

Wilds: Yeah.

MacGillivray: Equal work.

Wilds: I wouldn't say that but yeah.

MacGillivray: Okay, um.

Wilds: Um, doing the time of this digging we received a phone call to ah, cause I was suppose to meet some people in ah, a couple of minutes. And I remember when I was waiting um, for him, when I, when he was trying to pick out he spot, I had remembered I suppose to meet some people and received a phone call from them. And I didn't even get a chance to talk to um, he told ah, that ah, I was busy and that I have to call them back.

MacGillivray: Did he tell you who was on the phone?

Wilds: I later learned that that was **inaudible**.

MacGillivray: And ah, what happens then?

Wilds: Um, like I said afterwards ah, we had walked, we brought the the car back. He taken Hay out, um, I asked him how how the hell did he get her from the road to hole, he just told me she was heavy as shit. That's all he said. And ah, he buried her.

MacGillivray: Did you help put dirt ontop of her?

Wilds: I didn't help put dirt ontop of her, I helped dig the hole. Um, I couldn't, I couldn't do it.

MacGillivray: Were you going to?

Wilds: Possibly, but like I got there and shovel was in my, I just couldn't throw dirt ontop of her. I mean I couldn't do it. And um, we left ah.

MacGillivray: Before you leave.

Wilds: Yes.

MacGillivray: You had indicated in our conversation before that Adnarn had gotten sick?

Wilds: Yeah, yeah he did um, on.

MacGillivray: How many times did he get sick?

Wilds: Twice.

MacGillivray: And were was that?

Wilds: The first time that he threw up was ah, up around the corner, when he had brought the car back from being away from her a long time. That's when I had assumed that he took the body out of Hays car and put in back in the hole. He drove back up around the corner and he threw up once there, and ah, ah, right after he finish burying her, we're, we're getting back in his car and he threw up once there.

MacGillivray: It was on the parking area?

Wilds: Yeah.

MacGillivary: What do you do then?

Wilds: Um, hum, we drive to Westview on, I told him take me home. And on the way going home we pass by Westview and he says I better get rid of this stuff.

MacGillivary: You got 2 cars?

Wilds: Oh I'm sorry, I apologize. Um, I'm missing.

MacGillivary: Okay.

Wilds: Top spots. Um, yes I'm sorry. We leave, we we still do have 2 cars. Um, he he ah, motion for me to follow him. I follow him, we're driving around all in the city. I asked him were in the hell are we going and um, he says were's a good strip at, I need a strip. So we drive ah, down Edmondson Avenue, off of one of those cross streets before you get to the brake, you know were I'm talking about. And um, it seems like he knew were this place was cause there's a parking lot, but it's in the middle of whole bunch of houses. And the stripes on the streets, the cross streets that runs, so it's not like you could of just saw it.

MacGillivary: What's a strip?

Wilds: Oh were they sell drugs.

MacGillivary: Okay, this is an area were people are selling drugs?

Wilds: Yeah.

MacGillivary: So you been to this neighborhood before because you've purchased drugs there?

Wilds: I been through, through, not that exact spot, but the neighborhood yes.

MacGillivary: And your following him?

Wilds: Yes.

MacGillivary: And it's for a significant amount of time, am I correct?

Wilds: Yes.

MacGillivary: How long?

Wilds: Probably about 30 minutes.

MacGillivary: Eventually, he selects a spot?

Wilds: Yes.

MacGillivary: And where is that spot?

Wilds: Its like way back um, up this alley, across this grass and no one's parking on.

MacGillivary: And what does he do?

Wilds: Um, oh he stops and he digs in his car some I don't know what he was getting, he dug in the car some more, parked it, took the keys with him and came and got in the other car.

MacGillivary: Any items that were in Hays car, in her possession were they brought into his car?

Wilds: Um, the only items I definite that were her's that he had, he had her wallet with all of her, all of her identification, um credit cards, all that, her keys definite. Those they only 2 things definitely I knew were her's that he brought from the one car to the other.

MacGillivary: What else did he bring?

Wilds: Ah, a little bag, like a a black bag, and oh, gloves.

MacGillivary: Describe the gloves for me?

Wilds: They were red wool gloves, with a leather inaudible and with a stitching around the edges.

MacGillivary: Okay, so now he's back in his own car?

Wilds: Yes.

MacGillivary: Who's driving?

Wilds: Ah, right now I think I'm still driving.

MacGillivary: Okay were do you go?

Wilds: We go to Westview.

MacGillivary: And what do you do?

Wilds: Um, in the back of Westview there's some dumpsters. He instructs me to stop at these dumpsters. Um, he gets out, we both get out of the car. He gets out he throws some of the stuff into the, a recycling dumpster. He gets back in, he's driving now, I'm in the passenger seat. We go down to the next, like 2 dumpsters down and he throws all the rest of the stuff in there.

MacGillivary: All the rest of what stuff?

Wilds: All of the rest of her possessions.

MacGillivary: What about the tools?

Wilds: The tools are placed in another dumpster ah, couple, couple more down.

MacGillivary: Now you guys taken any precautions and ah, not dropping things within his car. Are you.

Wilds: There weren't like the items that he took weren't really small items, nothing that you wouldn't know were in your possession. He didn't, not that I noticed he didn't have anything small that would be dropped or inaudible.

MacGillivary: You indicated he had, he had Hays wallet?

Wilds: Yes.

MacGillivary: And that he was going through her.

Wilds: Yes.

MacGillivary: Cards.

Wilds: He didn't start to go through card until we had actually pulled up to the dumpster. He didn't open her wallet and start to go through any, any of her things until we actually pulled up to the dumpster.

MacGillivary: What kind of cards was he taken out?

Wilds: Um, credit cards, ID cards, bank cards.

MacGillivary: Did he say anything inaudible.

Wilds: Ah, he showed me the picture of them been to the prom, but he threw it away too.

MacGillivary: Where did he throw that away?

Wilds: In the dumpster with the rest of the stuff.

MacGillivary: Did he pull out her driver's license?

Wilds: No.

MacGillivary: Make any you know comments about that?

Wilds: No the only thing he showed me was a picture. He just kind a flipping the picture and like shu... and.

MacGillivary: Was he looking for something within the wallet?

Wilds: He seemed like it, um.

MacGillivary: For example?

Wilds: He said he was that he was flipping threw her wallet, he was like she ain't got no cash. And

that was all he had said to me, but I, I mean he he doesn't need money, he's not, he doesn't need money, he just.

MacGillivary: He dumps Hays property in a dumpster?

Wilds: Yes.

MacGillivary: However, you still have the tools?

Wilds: Yes.

MacGillivary: And what does he do with those?

Wilds: We drive for a couple of dumpster down, he pulls them out of the back seat places them in the dumpster.

MacGillivary: Then what do you do?

Wilds: From there um, we leave, we go up Route 40. On the way up Route 40, I think I may have paged my friend Jen, back to, paged her from his phone to my house. Um, I get out of his car, I go in my house, Jenny calls me back, I tell her I need, I need to talk to her, um, its real important. And for her to come and get me. She comes right over, um, I take my clothes from that day, I put them in a plastic bag. Um, I go out to to the car with Jen. I tell her what happened. She ah, she says to me um, she really can't believe it, and I tell her stay away from him. And I tell her if I get locked up that she'll, she'll be the one person that really knew that I didn't Hay.

MacGillivary: Why would you tell her that?

Wilds: Because he's was bound to get caught. I mean it was just.

MacGillivary: Why would you tell Jen that you were not the one who killed Hay. What significant's is that?

Wilds: Because I know that I would of, I would go to jail for it, so I told Jen, I'm, I'm sorry.

MacGillivray: I mean, did you kill her?

Wilds: No.

MacGillivray: Why would you tell her that you weren't the one who killed her? Why would you kill her?

Wilds: I told her that if I ever go to jail she knows what happens and she knows the truth.

MacGillivray: Well she knew before hand?

Wilds: I don't know then, I mean.

MacGillivray: You told her.

Wilds: I said that to her, I said Adnarn killed Hay.

MacGillivray: You told her before Hay.

Wilds: I said I told her yep.

MacGillivray: Was killed that Adnarn was gonna kill Hay?

Wilds: Yes.

MacGillivray: Whether she believed it or not, you told her?

Wilds: Right.

MacGillivray: So afterwards.

Wilds: I said, I got in the car and this was my exact words, Hay's dead. If I ever go to jail, you know that I didn't kill Hay.

MacGillivray: Okay, and when you went back to your house after Adnarn dropped you off, did you change your clothes?

Wilds: Yes.

MacGillivray: And what did you do with the clothes?

Wilds: I put them in a plastic bag, I.

MacGillivray: Which articles of clothing that you had on that you put in the bag?

Wilds: Um, plaid coat, ah, tan jeans, and a pair of boots.

MacGillivray: What did you do?

Wilds: I put them in a bag and ah, we went to F & M I think to purchase something and on the way up.

MacGillivray: Jen had come over to your house to pick you up?

Wilds: Yes, ah-huh.

MacGillivray: You had told her what had occurred?

Wilds: Yes.

MacGillivray: And you got in the car with her.

Wilds: Yes.

MacGillivray: And you were gonna dump your clothes?

Wilds: Yes.

MacGillivray: And what dumpster did you go too?

Wilds: F & M, the one behind the ah, F & M inaudible on Route 40.

MacGillivray: And what did you throw in there?

Wilds: All my clothes, it was ah, they were in a giant plastic bag.

MacGillivray: The same night?

Wilds: Um, I think I may had held on to my boots, until the day after, but yeah the same night.

MacGillivray: Well your contradiction yourself.

Wilds: I'm saying, the other articles of clothing.

MacGillivray: You threw away what clothing on the 13th?
Wilds: My pants and my coat.
MacGillivray: And you didn't throw away your boots that night?
Wilds: Right.
MacGillivray: So on the 14th you threw away your boots?
Wilds: Yes.
MacGillivray: And were did you throw away your boots?
Wilds: In the dumpster in front of my house.
MacGillivray: Okay, after you threw away your clothing.
Wilds: Yes.
MacGillivray: Did you go somewhere else?
Wilds: Yes.
MacGillivray: Were?
Wilds: We returned to the shovels at Westview.
MacGillivray: And what did you do?
Wilds: I removed my fingerprints from them, I wiped them down?
MacGillivray: And why?
Wilds: I didn't wanna be associated with the crime.
MacGillivray: And why did you get rid of your clothing?
Wilds: I ain't wanna be associated with the crime.
MacGillivray: From there.
Wilds: Yes.

MacGillivary: Were did you go?

Wilds: Um, from there I went to my girlfriend Stephanie's house. Um, she had a late game. I stopped, it was her birthday, I spoke to her, we chatted for a little bit. Then we left there and I went to C██████y and Jeff's were I remained for the rest of the evening. After I left there I returned home.

MacGillivary: Okay, while you at C██████y and Jeff's.

Wilds: Yes.

MacGillivary: Did you tell them what happened?

Wilds: Um, not totally, but to the effect. Not not exactly what happened, but I.

MacGillivary: What did you tell C██████y and Jeff?

Wilds: I said to them um, so you guys don't get in any trouble if the cops come ask you guys that we he was never here.

MacGillivary: And?

Wilds: And that was it.

MacGillivary: What did they say?

Wilds: What did he do, and I was like ah, it's it's better if you not know.

MacGillivary: Did you tell them.

Wilds: Ah, maybe later, at that time I don't, I don't remember what I. I may had told Jeff, I may had told her boyfriend Jeff, but I know I didn't tell C██████y.

MacGillivary: What did you tell Jeff?

Wilds: Um, if I had told him, my my exact words were would of been that dude killed his girlfriend.

MacGillivary: Not if you told him.

Wilds: Okay I'm sorry.

MacGillivary: What did you tell Jeff?

Wilds: That dude killed his girlfriend.

MacGillivary: And what did Jeff say to you?

Wilds: For real. Ah, snap.

MacGillivary: That it. Were you guys getting high then?

Wilds: Yes.

MacGillivary: At what point do you leave?

Wilds: It was probably about 11:30, midnight.

MacGillivary: Were do you go?

Wilds: Home.

MacGillivary: And who is driving at this point?

Wilds: Jen.

MacGillivary: Detective Ritz?

Ritz: Thank you, this is Detective Ritz um, for the record. Jay if we can just go back.

Wilds: Yeah.

Ritz: Ah, ah, the beginning of the 12th. You received a telephone call. Let me back if I can even further then. During the pre-interview, we sat here and we spoke for awhile and you stated that Adnarn, on at least 3 or 4 different occasions, said that he was gonna kill Hay Lee.

Wilds: Yes.

Ritz: Ah, what, tell me a little bit about those conversations?

Wilds: Um, those conversation ah, I don't know like people, you know talking about relationships and ah, I had mentioned to him how long me and my girlfriend had been together. And that her birthday was the day after mine. Um, I think Stef had wanted to invite them somewhere, but they weren't together. And he was like ah, ah, she broke my heart, I couldn't believe someone would be that heartless. She she looked me right in my face and told me she didn't love me, after all that time. I think I gonna kill that bitch.

Ritz: Prior to January the 13th, ah, when Hay Lee is murder. When did these conversations take place? How close or ah, to January the 13th?

Wilds: Um, maybe like starting 4, 5 days before.

Ritz: July the um, excuse me January the 12th is your birthday?

Wilds: Yes.

Ritz: You said that Adnarn had called your called your house. And you kind a hand an inkling what was gonna take place ah, the following morning, or the following afternoon?

Wilds: Um-hum.

Ritz: What was that conversation. What made you think that ah, January the 13th, would be the day that Adnarn would kill Hay Lee?

Wilds: He told me um, that we're gonna hook up the next day and that, he said, he said that's what he said, I gonna do it, I'm gonna kill her.

Ritz: What was his exact words, if you remember?

Wilds: Um, I gonna do it tomorrow yoh.

Ritz: And what did you take that to mean?

Wilds: Killing inaudible.

Ritz: So you knew the night before, what time does this conversation take place?

Wilds: About 11, but it wasn't like, I don't know um, I'm sorry inaudible.

Ritz: So he calls you sometime around 11 o'clock, this is your birthday and says, something to the effect tomorrow I'm gonna do it.

Wilds: Yeah.

Ritz: And you interpret that was, tomorrow sometime he's gonna kill Hay Lee?

Wilds: So he says yes.

Ritz: When he says I'm gonna do it tomorrow, does he make any reference to the, in that conversation that he's definitely gonna kill or are those words used?

Wilds: Um, not but the reason I thought he meant Hay was because, from what I can remember from that conversation it was ah, about girls and stuff. And he was like this shits fucked up man, I'm a do it tomorrow, I'm gonna kill her yoh. Alright I don't know if he said I'm gonna her, but he definitely said I'm gonna do it tomorrow. And the conversation prior, the contexts of the conversation prior was a.

Ritz: If I may.

Wilds: Yes.

Ritz: Adnarn calls you for what?

Wilds: To tell me.

Ritz: Why, why does he call you?

Wilds: To tell me that we're gonna hook up the next day.

Ritz: Why does he even have.

Wilds: Oh I'm sorry.

Ritz: Any relationship with you?

Wilds: He calls me for drugs, marijuana is why we hang out.

Ritz: Okay, that's it.

Wilds: Right.

Ritz: He doesn't call you to bend your ear on his relationship problems?

Wilds: No.

Ritz: He calls you because you can get things done.

Wilds: Do I know where I can hook up at.

Ritz: And he calls you so you can get weed?

Wilds: And people only call me at 11 o'clock to hook up.

Ritz: So he calls you that night to tell you I'm gonna kill her and I need your assistance?

Wilds: No, he calls me wants to know if he could hook up and he's gonna kill her.

Ritz: Okay, but you take that as, he's gonna need your assistance?

Wilds: Okay, yes.

Ritz: Okay, while we have, before I go on to the next questions Jay, it's about 7:18 p.m. the tapes gonna run out in 2 or 3 minutes. What I'm gonna do is stop the tape now and flip it over to side B. Ah, once again the time is 7:18 p.m.

Wilds: You know, in the car I think I'm gonna kill her yeah. He said, he said that a lot. Ah, I conversated with his several occasions, he said that.

Ritz: But apparently you took him at heart because after he told you that, later that day you and Jen went Gelston, Gelston Park and you told Jennifer that.

Wilds: Yes.

Ritz: That Adnarn was gonna kill Hay Lee. So apparently he said something that made you think that he was actually gonna go threw with it.

Wilds: Yes he did, it wasn't, I mean it was just I'm sorry.

Ritz: He was no no longer joking around that he was gonna do it?

Wilds: Right it wasn't like you know, you can look in somebody's face and see a chuckle or a smile it's stone cold, I think I'm gonna kill that bitch.

MacGillivary: You took it so seriously that you told Jennifer?

Wilds: Yes.

MacGillivary: And what did Jennifer say?

Wilds: I don't think she believed me. Ah, I don't remember exactly what she said, but I don't think she believed me.

MacGillivary: Jennifer never really like Hay, correct?

Wilds: Yeah, I mean.

MacGillivary: So I mean, did she actually even care?

Wilds: Not really.

STATEMENT OF: Jay Wilds

MacGillivray: Did she say you know, oh I can't believe this, we've gotta stop this?

Wilds: No.

MacGillivray: What did she say to you?

Wilds: Ah.

MacGillivray: Oh well?

Wilds: That mother fucker is crazy yoh.

MacGillivray: And that's it, okay.

Ritz: At that point wouldn't you believe ah, Adnarn was actually gonna kill her and you told Jennifer and ah, she just says, the mother fucker is crazy yoh. Why didn't you at that point, you had information or at least your told information. Whether or not he was serious but you took him as being serious at the time that he told you this. Why didn't you notify somebody. Or why didn't Jennifer notify somebody, or get together and say hey look we gotta do something. He said he was gonna kill her, he despises her, the relationship is over. You know here you have information, something's gonna take place, whether you believe it not, you kind a believe it. And you do absolutely nothing.

Wilds: Number one, I kind a believed him, you right cause people shoot off at the breeze all the time, I'm gonna kill you. I mean if that was the case I be dead 5 times over now. Number 2, it was, it had just been like a couple of weeks before I got my ass kicked by a cop, for no reason. And ah, a couple days after that I got beat up again. So I mean, I wasn't like about to just walk up in a police station and be like oh hey here's what's about to go down.

Ritz: I'm not saying, you know, that would of been the smart thing to do is notify the police. You could of notified someone that you trusted. A Clergyman.

Wilds: I'm not religious.

Ritz: Some kind of Official, or something like that. You have information, he's gonna kill her and maybe you can help me understand this. The following day your home, your in bed sometime around 10:30, Adnarn gives you a call. Says I'll be over in an hour. You and he go to Security Mall and walk around and go to Hecht Company, you buy your girlfriend a bracelet. At that point and time he makes mentioned of the fact again, that he's gonna kill Hay Lee. I think at that point, when he told you about it, the 12th, you made mentioned that to your girlfriend. He gives you his car keys. He gives you his cell phone, he tells you the time that he's gonna call you. That he's gonna kill her, and you do absolutely nothing. Help me understand your train of thought, or why you do absolutely nothing at that point.

Wilds: Um, Adnarn knows a lot of things about, like to the effect of criminal activities. So I mean it wasn't.

Ritz: Your selling marijuana.

Wilds: So if I go to the cops and say hey, this guy is gonna kill her. He'll say well no I'm not he's crazy. But there's this drug dealer and this is were he gets his shit from and this is who he deals with and he's got a rap sheet this long, and go get his ass.

Ritz: Well you've never been arrested, but one time, so.

Wilds: Well one time.

Ritz: You don't really have a rap sheet.

Wilds: On on, on the records one time, but I got my ass kicked plenty of times **inaudible** that one arrest plenty of times. Dogs sicked on me,

frisked down in front of my own house with fucking gun point, Helicopters and shit with keys in my hand. And a name tag that says Jay Wilds on it, you know what I mean. It's not, it's not just, you know I mean seriously man I've been coming home some people whipped out guns, made me lay in the street in the snow. Walk into my own house, just so they can say I was the wrong dude, you know what I mean.

Ritz: These are police that do that to you?

Wilds: Yes.

Ritz: So you didn't trust any police?

Wilds: I didn't, no.

Ritz: Later on when you dropped him off at school, he makes a comment that he has to be seen by people, or that's at track practice. When you pick him up after track practice, were in relations in school do you pick him up, in front of the school, over by the gymnasium?

Wilds: In front of the school.

Ritz: Is there anyone else out there that see's him getting into his car, or see's you picking him up at that time?

Wilds: There had be, but I don't, I wasn't.

Ritz: Does he make a scene at any one, say hi to them just to, as an alibi to draw attention to yourself or the car?

Wilds: He could of said good bye to someone, but not that I noticed. I, I wasn't that focused um, on his movements. I mean possibly he could of spoke to some ah, I catch you later.

Ritz: After you go to Best Buy parking lot, you said in the, the pre-interview that there may of been a reason why he picked that particular spot?

Wilds: Yes.

Ritz: What was that reason again?

Wilds: A later learned that that's were they used to have sex.

Ritz: They use to have sex, Jay, I mean Adnarn and Hay Lee? They use to have sex on the parking lot?

Wilds: Yes.

Ritz: Adnarn and Hay Lee? How did you come about that information?

Wilds: He told me later.

Ritz: And what was the conversation concerning that?

Wilds: Ah, I can't believe I killed her were I use to fuck her at.

Ritz: After you say Hay Lee's body in the trunk of the car and I can understand, you said you don't, you didn't like the police and apparently they don't like you for whatever reason. Whether it's real or perceived on your part. The, I can understand that you didn't believe that he may go through with it, he may have been joking, may of been 99 percent serious and one percent joking around.

Wilds: Well I mean even if I figured something was gonna happen, and you get to the point were they argue, they'd fight, he get locked up or something stupid, or something like that, I didn't think he'd really kill her.

Ritz: After you go over to Best Buy and he pages you and you meet him at the telephone booth, go over to ah, the area of the parking lot were he car is placed, or parked on the parking lot. When he opens up the trunk and you see her body inside the trunk of the vehicle, you

described her body, you said her lips were blue and everything. Once he closes the trunk and and ask you to follow him, he gets in his car, you get in your car.

Wilds: Her car.

Ritz: He gets in her car and your driving his car. At that point there's a phone booth on the other side of the building. And your driving off the parking lot, why don't you stop your car and say, call the police, and say someone had just committed a murder. There's a body in the trunk of the car?

Wilds: I don't know, I just feared and I, I, and you don't understand like, like how it is.

Ritz: Who are you afraid of, if you make an anonymous phone call, you give a description of her car. Give a description of Adnarn and say there's a body in the trunk of that car. You give them the tag number of the car.

Wilds: Can we stop for a second.

Ritz: Yes.

Wilds: A few seconds.

Ritz: Well if you have any questions you can ask me on tape.

Wilds: I don't understand this line of questioning
inaudible.

Ritz: I'm trying to understand why you go through all this and.

Wilds: First it was just like shook and then after that ah, I was part of it, so I mean I couldn't just, you know what I mean. I had just as much not called, like you said before when he said he was gonna kill her to the point of when I was standing there looking at her in the trunk

I didn't call to the point of, I dugged the hole, you know what I mean. It's, it's all those looping together if I didn't step out at one I couldn't just say well her it is in the middle, I'm just gonna call the cops.

Ritz: Oh I understand what he has over you or if your involved in this from the very beginning. If he paid you any money to help him ah, if your were part of the conspiracy part. Once he's planning all this because it took a lot of careful planning. He had this planned out cause you made mention of the fact that when he's strangling her, in her vehicle that he's worried about her scratching him to get any tissue or any ah, **inaudible** evidence underneath her fingernails?

Wilds: Yes.

Ritz: So he's thought about all this.

Wilds: Yes.

Ritz: He's thought about it to the point were he gives you his car, his cell phone, he tells you were to meet him, calls you to the location, has you following him around to ah, the parking ride over on Route 70. Ah, to the point were your involvement in, in this is beyond belief, other than you being afraid of the police. Either he has paid you something, or.

Wilds: Like I said he knows that I sold drugs. I mean that was, that was, I mean that's, he could get me locked up for that, I mean. I'm sure if I ratted him out for killing Hay, that he wouldn't hesitate to turn me over for selling drugs.

Ritz: I mean that's, well I'm just trying to understand in my mind what your logic is and your way of thinking.

Wilds: Yeah I mean I wasn't just through the whole situation I, I don't deal with dead bodies everyday man, I don't, you know what I mean that's not something I run around and look at, you know what I mean. If somebody pops a trunk and there's a blue body in there it's gonna upset me and I'm not gonna need. Like I didn't, I don't, in my mind I don't think to the presence of let's call the cops. It's never, that never crossed my mind. I could be getting shot at, and I wouldn't be let's call the cops.

Ritz: In your mind and presence of your mind, does it ever occur to you to disassociate yourself and say, hey look, you know this is really serious shit here. Somebody dead in the trunk of the car, see you later?

Wilds: I tried, after I said that to him, you know fuck you I'm not helping you, but then that's what he said to me.

Ritz: At any point did Adnarn ever threaten you with physically with any ah, type of weapons or anything like that?

Wilds: No weapon no inaudible.

Ritz: When you go out to Lincoln Park with him, you said you ah, driven through ramp for about an hour before you came out Lincoln Park you went up to Patapsco State Park, rode through there. When you get out to Lincoln Park, you described a little pull off there, the Jersey wall the the inaudible. Can you describe the location um, were the grave site is were you guys walked back too?

Wilds: Its about 20 yards back.

Ritz: And in the interview.

Wilds: A fallen tree next to it.

Ritz: There's a fallen tree?

Wilds: Yeah.

Ritz: And you'd also made made mentioned there's a creek running.

Wilds: Yeah.

Ritz: In between the fallen tree or behind.

Wilds: Behind behind there.

Ritz: Behind were the grave site was. Detective McGillivary do you have any other questions I just want to look over my notes real quickly.

MacGillivary: We ah, interviewed you originally on um, if I recall correctly the 28th of February, is that correct?

Wilds: Ah, yes.

MacGillivary: Okay, and we went, took an intensive interview.

Wilds: Okay.

MacGillivary: And we taped that interview.

Wilds: Yeah.

MacGillivary: And there were a lot of inconsistencies

Wilds: Yes.

MacGillivary: And to start with, you indicated that you didn't know before Adnarn killing Hay. You didn't have any idea.

Wilds: Yes.

MacGillivary: But that's wrong?

Wilds: Yes.

MacGillivary: You did have knowledge.

Wilds: Yes.

STATEMENT OF: Jay Wilds

MacGillivray: Before?

Wilds: Yes.

MacGillivray: And in fact, he asked you to assist him?

Wilds: Not in killing him no.

MacGillivray: Not in actually the murder, however, assisting him in the process before hand and after?

Wilds: He never asked me until like, he asked me to come and get him. It's wasn't anything of disposing the body. He never asked me none of that until the actual day.

MacGillivray: Okay, um, also you had indicated that when he calls you to assist him that he was at Franklinton and Edmondson Avenue?

Wilds: Yes.

MacGillivray: Is that correct?

Wilds: Yes.

MacGillivray: Were he pops the trunk and shows you the remains?

Wilds: Yes.

MacGillivray: Okay.

Wilds: Yes.

MacGillivray: That wasn't true?

Wilds: No sir.

MacGillivray: Ah, he actually killed her.

Wilds: Yes.

MacGillivray: At Best Buy?

Wilds: To my knowledge.

Page - 58
STATEMENT OF: Jay Wilds

MacGillivray: To you knowledge?

Wilds: Yes.

MacGillivray: You weren't present for that?

Wilds: No sir.

MacGillivray: Why did you lie about the location?

Wilds: Ah, I figured there was camera's there or somebody had spotted him during what he was doing.

MacGillivray: But if you actually didn't assist in her murder.

Wilds: I'm associated with it.

MacGillivray: Why would you lie about the location?

Wilds: Because I'm associated, I'm associated with it.

MacGillivray: But you did lie?

Wilds: Yes.

MacGillivray: Okay, um, you also told us that after the events of the day. After Hay had been killed, after you, after Adnarn had buried the remains that you met Jennifer P [REDACTED] at Westview Mall?

Wilds: Right.

MacGillivray: With Adnarn?

Wilds: Right.

MacGillivray: Is that truth, that night?

Wilds: No.

MacGillivray: In front of Value City?

Wilds: No.

STATEMENT OF: Jay Wilds

MacGillivray: No?

Wilds: No.

MacGillivray: Did you dump your clothes that night with Jennifer?

Wilds: Yes.

MacGillivray: Okay um, you also left out that fact that you went to C [REDACTED] y and Jeff's?

Wilds: Okay, yes.

MacGillivray: On the first interview?

Wilds: Yes.

MacGillivray: And why is that?

Wilds: I didn't want them to be involved.

MacGillivray: You didn't want them to be involved?

Wilds: I didn't, I didn't yeah I didn't want her to be questioned by the police and all that stuff and.

MacGillivray: You also indicated ah.

Wilds: Trying to protect my friends profession.

MacGillivray: That you, you did indicate that you had purchased marijuana, or called.

Wilds: Pete.

MacGillivray: Pete to buy mar, marijuana. You left that out also?

Wilds: Yes.

MacGillivray: The taped interview that you're given us right now, is that the truth?

Wilds: To the best that I can possibly humanely at this point and time remember it, that is the truth.

MacGillivray: Did you kill Hay Lee?

Wilds: No sir I did not.

MacGillivray: Were you there when Adnarn killed Hay Lee?

Wilds: No sir I was not.

MacGillivray: Were you on Best Buy's parking lot when Hay was killed?

Wilds: No sir I was not.

MacGillivray: Well how do you know?

Wilds: Pardon me.

MacGillivray: How do you know that you weren't?

Wilds: At what point and time, how do I know.

MacGillivray: Right.

Wilds: Cause when I showed up he was on the phone.

MacGillivray: Okay, that's all the questions I have.

Ritz: Jay ah during the pre-interview Detective McGillivray showed you a picture of Adnarn?

Wilds: Yes.

Ritz: And some clothing that he was wearing.

Wilds: Yes.

Ritz: Like ah, we'd begin ah, to show you this photograph.

Wilds: Yes.

Ritz: Can you describe the jacket that he's wearing in the photograph?

Wilds: It's a blue rain suit jacket, with ah, a yellow line.

Ritz: Have you ever seen that jacket before?

Wilds: Yes sir.

Ritz: When was the last time you seen Adnarn wearing the jacket?

Wilds: On the night of the murder.

Ritz: That was the jacket he was wearing on the night of the murder?

Wilds: Yes sir.

Ritz: Your absolutely positive?

Wilds: Um, to to the best that I can remember, yes.

Ritz: Okay, he also showed you another photograph of a shirt that was found inside Hay Lee's car.

Wilds: Yes.

Ritz: And what I would like for you to do is show you the same photograph.

Wilds: Yes.

Ritz: Ah, is that photograph Detective McGillivary showed you earlier?

Wilds: Yes it is.

Ritz: You recognize that shirt?

Wilds: No I do not.

Ritz: Have you ever seen it before?

Wilds: No I haven't.

Ritz: Does that shirt belong to you?

Wilds: No sir.

Ritz: Do you recall if Adnarn was wearing it the night of Hay Lee's murder?

Wilds: Um, I don't think this is the shirt he had on no.

Ritz: Do you recall what type of shirt he had on that evening?

Wilds: I think it was vertically striped and not horizontal. Um, it was a brownish tan color, it wasn't inaudible.

Ritz: Okay, there was ah, map booklet found on the back seat of Hay Lee's car when it was recovered. I like to show you a photograph of that to see if you recognize it or if have ever seen it ah, that map before?

Wilds: No I haven't.

Ritz: Okay.

MacGillivray: Did Adnarn make any reference to this map?

Wilds: No he didn't.

Ritz: I like ah, to Jay these photograph that I've shown you can you just place your initials on the bottom of them, one of the map, and also today's date. And also the photograph of Adnarn and the jacket you signed. Said that when your with Adnarn, as you pulled around to the dumpsters on Value City, you recall that one of the dumpsters that he placed her wallet and keys in was a cardboard recycling dumpster?

Wilds: Yes.

Ritz: And how do you know that?

Wilds: It said it on the side.

Ritz: And you thought that the police would of recovered the property, or someone would of turned it over because of what reason?

Wilds: Um, when it went through the paper mill it would either fuck the machine up, or somebody would see it.

STATEMENT OF: Jay Wilds

MacGillivray: I don't know if we covered this or not. When you were at ah, C██████y's house.

Wilds: Um-hum.

MacGillivray: Adnarn received a telephone call?

Wilds: Yes.

MacGillivray: And who was that from?

Wilds: Ah, police. Actually he received 2. The first one from Hay's family, there inquiring were she was, second one was from the police, there inquiring were she was.

MacGillivray: Okay do you recall what kind of statements he made to the police?

Wilds: Um, I knew them to be totally false, he told them he had no knowledge of were she was. Um, he gave them other people's name to try to look for her and told him that that was her personality.

Ritz: Said that, find inaudible, go over that again. During the pre, pre-interview you said um, maybe you wanna try her new boyfriend that she may be with him?

Wilds: Yes.

Ritz: And also that he and ah, Hay Lee had been broken up for awhile?

Wilds: Yes.

Ritz: You also said that she may have just ran off and also told them that he may wanna check with some of her friends?

Wilds: Yes.

MacGillivray: Is there anybody that you know of that Adnarn told about this murder?

Wilds: One hundred percent, no I don't.

MacGillivary: Okay what percent possibly?

Wilds: I have to say that, I knew he told somebody um, that he killed somebody. I don't necessarily know that he told somebody that he killed Hay. But I know he told somebody that he killed somebody. It was on a phone conversation later in the car. Um, I don't know who he's talking to, I can speculate, I think it was Tia.

MacGillivary: When was this?

Wilds: Ah, probably like 2 or 3 days, 4 days after.

MacGillivary: After?

Wilds: After he killed her.

MacGillivary: Okay and why were you in the car with.

Wilds: Why was I in the car with him. I was leaving from my house, going to work.

MacGillivary: He was taking you to work?

Wilds: Yeah.

MacGillivary: Now this is the guy that got you involved in something.

Wilds: Yeah but he also.

MacGillivary: Why is he over your house taking you to work?

Wilds: He dropped off my girlfriend. I had her car, cause I had driven her home from work the day before, the morning before.

MacGillivary: He dropped your girlfriend up your house?

Wilds: He came from school to my house, with my girlfriend.

MacGillivary: Weren't you concerned?

Wilds: Yes.

MacGillivary: About.

Wilds: Yes.

MacGillivary: Him being with your girlfriend?

Wilds: Yes.

MacGillivary: Why would he have.

Wilds: I didn't, I didn't have knowledge that she was gonna get a ride from him. She didn't tell me hey I'm getting a ride with Adnarn. And after that, at point and time I told her to stay away from him and don't talk to him. I didn't tell her why, I didn't give her reason.

MacGillivary: Did you ever tell him to stay away from your girlfriend?

Wilds: Yes.

MacGillivary: But he gave her a ride home. Didn't that piss you off?

Wilds: Yeah and he, he looked me in my face and he told me you know we go to school together, he know her friends.

MacGillivary: Did Adnarn give you any money to you, to help him in the situation?

Wilds: No.

MacGillivary: In this murder?

Wilds: No.

MacGillivary: Nothing?

Wilds: Nothing.

MacGillivary: Did he buy you marijuana?

Wilds: No.

MacGillivary: The marijuana that you purchased on Forrest Park, who brought that?

Wilds: He brought it, but it's not uncommon for people to buy a bag and smoke together.

MacGillivary: Had he given you money?

Wilds: Um, yes he loaned me a couple of bucks before.

MacGillivary: How much?

Wilds: Um, it was a hundred dollars.

MacGillivary: When did he lend you this money?

Wilds: Ah, prior to Hay's being killed. Ah, probably 4 weeks before.

MacGillivary: So about a month before he leant you a hundred dollars?

Wilds: Yes.

MacGillivary: Did he lend you a hundred dollars or did he give you a hundred dollars?

Wilds: He leant me a hundred dollars because I had paid him fifty of it back.

MacGillivary: Why would he lend you a hundred dollars because you paid him back?

Wilds: No, I'm saying, I'm saying that's why it was a loan.

MacGillivary: He leant you a hundred dollars?

Wilds: Yes.

MacGillivary: For what?

STATEMENT OF: Jay Wilds

Wilds: To buy weed.

MacGillivary: And you paid him fifty dollars back?

Wilds: I had spent the money. I didn't go buy the weed, I then cause it was time period I had spent the money, um, so ended up having to pay the money back to him.

MacGillivary: And you only paid him fifty dollars?

Wilds: So far I only paid him fifty dollars.

MacGillivary: And you were gonna pay the rest of it back.

Wilds: Yes.

MacGillivary: He did not give you anything else?

Wilds: No.

Ritz: When you paid him the fifty dollars, how did you pay him?

Wilds: I wrote him a check.

Ritz: And has that checked been cashed?

Wilds: Yeah it was ah, I got it back cancelled?

Ritz: And when did you write him the check, do you recall?

Wilds: I don't remember, I have to look at the date on the check. It was after the death of Hay though.

Ritz: You still have the canceled check?

Wilds: Yeah it's at my house.

MacGillivary: Alright I believe that concluded this interview. However Detective Ritz has an additional question.

Ritz: Just a few last questions um, Jay. Um, are you presently under the influence of any drugs or alcohol right now?

Wilds: No sir.

Ritz: And prior to this interview and Detective McGillivary went over that, you were advised of your Miranda Rights?

Wilds: Yes.

Ritz: You understand all your rights?

Wilds: Yes.

Ritz: At any time during the 1st interview and this interview that we've conducted her today. Has Detective McGillivary or myself threaten you in any way, coerced you in any way, offered any inducements, or promises to you at all?

Wilds: No.

Ritz: This afternoon ah, prior to coming down to the Homicide office ah, your girlfriend Stefanie dropped you off at **inaudible** on Frederick Avenue?

Wilds: Yes.

Ritz: And Detective McGillivary and I, this pre-arranged, we picked you up at that location, brought you down to Homicide Unit?

Wilds: Yes.

Ritz: During this interview and the last interview, how would say you've been treated by Detective McGillivary and myself?

Wilds: Fairly.

Ritz: I have no further questions.

STATEMENT OF: Jay Wilds

MacGillivray: I believe that concludes this interview.
It's the 15 of March, it's approximately 15
minutes of 8.

Tape transcribed by Jackie Taylor on 3/27/99.
